This rental appraisal has been carried out in good faith based on comparative available properties and local area knowledge and the property has been inspected via photos (external only). The appraisal is reflective of current market conditions so may change in the future.

It is assumed the property appraised complies with all tenancy-related requirements (e.g. Insulation & Healthy Homes standards) and has the necessary building consents and council codes and bylaws required for use as permanent habitable accommodation. No liability is accepted for error or omission of fact or opinion. Due to the properties condition in photos this properties chattels would also be required to be in working order.
